

# Attention, Attention

To help you prepare for the upcoming Hope Church Rummage Sale

**October 10<sup>th</sup> and 11<sup>th</sup>, 2025**

Here is a list of things you should **NOT** bring:

**1. Mattress & Box springs**

**2. Anything that holds children - highchairs, cribs, car seats -  
We can't sell them.**

(The Consumer Product Safety Commission says it's TOO hard to keep up with safety recalls and we don't want to have unsafe items in our sale.)

**3. Outdated Technology - VCR's, cassettes and **NO TV's**, or things we have to pay for to get rid of.**

**4. Anything vulgar or offensive**

**5. Broken, stained and clearly unusable items - includes torn & worn-out items, things with missing pieces, etc. This includes dirty clothes...really, you would not believe!**

**6. Anything you got for FREE**

**7. Anything that could grow mold**

**8. Oversized or unwieldy items**

**9. Garage Sale leftovers - if it didn't sell for you, it probably won't sell for us & then we have to get rid of it!**

Please, when you're boxing up your nicely folded donations, remember we love getting clean, good-smelling, useful items that we can sell!

**Thank you!**
